WORKERS' BIRTH CONTROL GROUP.
(Sec., 31, Sydney St., London, S.W.3.)

1. Are you in favour of allowing doctors at Public Maternity and Welfare Centres to give information as to methods of birth control when asked for it?

.....

2. If not in favour of (1) are you in favour of making it clear to these doctors that they may give birth control information when, in their opinion, it is medically advisable?

.....

3. Are you in favour of allowing and requesting the said doctors to give birth control information in the following cases:
   (*a*) When the father is insane or feeble-minded;
   (*b*) When the mother will probably die in confinement;
   (*c*) When either parent is affected with venereal disease?

   (*a*) .....

   (*b*) .....

   (*c*) .....
